

Parks

During the year, residents and visitors alike can come enjoy the ten parks located within the Village of Newark. From covered pavilions to playgrounds and skating rinks to baseball fields, our parks allow individuals to connect with family and friends.

For parks that will meet everyone's needs, visit Perkins and Ross through October located in the public parking. It has a concession building

with public restroom facilities. The park has a children's playground and plenty of room for a variety of outdoor activities - youth baseball/softball fields and walking path.

Ross Park is in the north end of the Village with an entrance off Frey Street. The park has a covered pavilion with picnic tables, public parking and restrooms. An elementary playground and youth baseball/softball fields allow kids of all ages to enjoy summer activities, while the ice skating

area provides a venue for winter sports.

The community's youth participate in activities at the Youth Baseball fields at Perkins Field on the corner of Hoffman Street and East Maple Avenue as well as at Colburn Park on Route 31 East. Youth Softball fields are located on Frey Street.
