

# Newark's Hometown Bottle & Can Return

Newark's Hometown Bottle & Can Return is owned and operated by Stacey Williams. Stacey was born and raised in Lyons. After teaching Head Start for over 16 years she left to help her husband with his business and then decided in 2013 to open the Lyons Hometown Bottle Return after her uncle's encouragement that Lyons needed one. Stacey has now opened a Return at 627 South Main St. in Newark.

Hometown Bottle Return offers a quick, convenient, CLEAN place to return all your containers with a NYS deposit on them. So if you're tired of feeding your containers into machines that get full, break down and take a lot of time or you are just giving or throwing them away because of the hassle, come try them out. The long tables with drains for liquids built by Stacey's husband make it easy to count lots of containers quickly.

Community, school, sports or church organizations that need to raise money can also set up a bottle drive, and or an account for people to donate their bottles to.

Stacey and her family would like to thank everyone for the support and warm welcome to the community they have already received and are excited to serve you for many years to come.
