

Erie Canal/Nature Trips

This park provides boaters many free amenities: ample docking on both sides of the waterway, electric service, water hookup, and pump-out station are just a few. The Visitor's Center also provides visitors with restrooms, showers, laundry facilities and WiFi, all at no charge.

As part of the New York State Canal Trail System, Newark's portion extends 1.5 miles from T. Spencer Knight Park west to Stebbins Road, with a view of the Erie Canal long most areas. The 8-10 foot wide trail provides visitors with an enjoyable journey. Rest areas are available throughout the trail with a walk bridge to cross over to Edgett Street which provides access to the Newark Plaza, fast food restaurants, bowling alley, and a 24-hour drug

For the extreme hikers, bikers, joggers and cross-country skiers, the trail winds its way through surrounding farms, woodlands, and neighboring municipalities for miles.

a mural on the wall of the Visitor's Center. This is a project created by Art in

Public Places and was painted by Corky Goss and Robert (Chip) Miller.

A [Walking Map](#) has been developed showing businesses and attractions within the Newark area to provide information for boaters as well as other visitors. The map can be found at the Visitor Center as well as other locations throughout the Village of Newark.
