

Things to Do

Newark is a village *For All Seasons* and is alive with cultural, recreational and shopping opportunities. As a center of commerce, Newark offers more retail stores than anywhere else in Wayne County.

Adding balance to the quality of life are the many recreational opportunities that not only serve residents, but also attract out of town participants. You may also choose to take in a concert, view art exhibits or learn about Newark's history. Please enjoy browsing the tabs to your left to see how you can experience our wonderful Village.

A [Walking Map](#) has been developed showing businesses and attractions within the Newark area to provide information for boaters as well as other visitors. The map can be found at the Visitor Center as well as other locations throughout the Village of Newark.

We have also developed a brochure entitled ["60 Fun Things to Do within 20 miles of Newark"](#) because we are only a hop, skip and a jump from nationally renowned museums, wineries, and entertainment.
